

I love and financially support what I can to K-LOVE in the Fresno Community. It is a very family oriented station that blesses me throughout my day. My son and I enjoy singing along without worrying about lyrics or profanity. Displacing K-LOVE by an LPFM broadcaster providing other programming would not be the same. Please allow K-LOVE TO REMAIN. The music and message is for eternity not just for today! Please keep K-LOVE broadcasting. We tune our radio to 91.1.
